The Norfolk Deaf Association are always looking out for men and women from all backgrounds to join our dedicated team of volunteers who enable us to deliver a comprehensive range of services to the deaf and hard of hearing of Norfolk.

Hearing Support Service

Supporting people with hearing loss by providing advice, assistance and maintenance of hearing aids on our mobile clinic, in our community clinics or in their own home.

Befriending Service

Supporting people with hearing loss who have become isolated, lost their confidence, or need someone to support them with finding new interests or accessing opportunities.

Our volunteers gain great experience through volunteering, meeting clients from all walks of life and helping to make a real difference.

In the words of one of our experienced volunteers:

“Makes you feel good to help people and to see a smile on their face.”
