Talk: Moorecroft Pottery -

by Robert Lamacraft

Thank you to everyone who joined us for our February meeting. We were lucky enough to have Robert share with us a selection of his wonderful Moorecroft Pottery collection. Robert talked us through the development of the pottery and we had a fun quiz too. It was great to be able to handle these lovely pieces and interesting to see how the group had very different opinions as to which one was their favourite piece!

We were then joined by Chris Knighton of Healthwatch Norfolk. There was a lively debate with constructive suggestions as to ways in which access to healthcare could be improved for those with hearing loss.

Friends Event - Tuesday 14th April 2016, 6:30-8:30pm

Join us to find out how *Hearing Dogs for Deaf People* train clever dogs to help deaf people and enjoy the opportunity to meet one of these amazing dogs.

Hearing dogs bring independence, companionship and confidence, giving a deaf person the independence to go out without feeling alone or self-conscious. Hearing dogs have saved countless lives through their important job, from fire alarms sounding at the dead of night to crossing the roads etc. See overleaf for booking details.

Suggested donation £10 per person including refreshments.

Next HUSH! meeting - Tuesday 26th April

We will be joined by Eileen Oliver who has written a book 'Yoga for the Less Able' to explore the benefits of yoga. But don't worry, we won't be expecting you to perform any complex yoga poses! Eileen will take us through some simple seated poses to aid relaxation. There will be no obligation to take part. Please join us to find out more about the health benefits of yoga.

HUSH! Summer Outing - Tuesday 26th July

Just a reminder that I need to know if you are interested in joining us for our Summer Outing. Tickets cost will cost approximately £27 including coach travel from NDA offices - no payment necessary at this stage. I will let you know finalised costs next month.
